TC 1700 MAIL ROOM

Sir:

This is further to the teleconversation we had with the Examiner on  
August 17, 1999.

An Office Action dated August 9, 1999 was received in which the cited  
references were not listed.

A particular reference applied to the claims, namely, Goto et al, was  
omitted.

We are unable to identify the Goto et al reference as we do not know the  
number.

Applicants would appreciate having a listing of the cited references, as well as a copy of the Goto et al patent and any others which might have been listed.

Respectfully Submitted,

By:
